

At Clydesdale we pride ourselves in the fact that we do not simply provide a service, we supply a full function staffing solution, by actively engaging and partnering with our clients at their businesses' core functions.

Services

OPS / Functional Outsourcing

Functional Outsourcing is a contracted agreement in which OPS eliminates the need for investment in infrastructure allowing you to focus on core business competencies.

Semi-Permanent & Outsourced

Outsourcing is a staffing solution that gives clients security knowing that they will always have trained employees accustomed to their operation.

Task Division

Task division is the splitting up of activities into separate tasks that are then either assigned to individuals or to other units such as departments. Task work is charged out per task basis example per ton, per pallet, per container and per truck.

Drivers Division

Clydesdale offers highly skilled and experienced drivers' who are waiting on call for our client's emergency, short term or casual driving needs. Clydesdale's drivers division offers driving services such as per trip, per day and dual driver systems

Real Time / Ad hoc

Ad Hoc jobs are created to accommodate the seasonal requirements of any/all of our clients. Clydesdale's Ad Hoc shifts operate 24/7 with an estimated 2 hour turnaround time.

Permanent Placements & Executive Search

Permanent placements are employees who work for an employer and are paid directly by that employer. Permanent employees do not have a predetermined end date to employment.

HR & IR Consulting

Clydesdale offers HR and IR services to effectively and successfully manage their clients most critical resource: their people.

Health & Safety

Clydesdale offers a wide range of assessments and compliance strategies to serve our clients health and safety requirements. We assist our clients with legal compliance on projects and sites, by acting as the Clients Health and Safety Agent.

Training & Development

Training and development initiatives are educational activities within an organization that are designed to improve the job performance of an individual or group. For example first aid training, firefighting training and SHE Rep training

Corporate Clothing & PPE

We offer our clients corporate branded stationery, gifts and items ensuring maximum brand visibility and exposure for their company. The PPE we offer helps staff avoid hazards and injury on site

Outsourced Payroll Function

Clydesdale's payroll outsourcing function handles all clients' payroll related activities. Outsourcing of payroll functions is generally done to reduce cost and save time required to deal with financial tasks related to a payroll.
